Uniform Dress Code UDC is now in effect. All students are receiving a NO Uniform Pass for this Thursday, but starting Oct. 8, students will have to earn a No Uniform Pass by following the UDC every day. Most infractions: girls--only white socks allowed & no nail polish boys--belts if they have loops & clean nails & hair. (There are a handful of students who have my permission to be out of uniform because Academic Outfitters has not been able to get what they need.)

MISSION STATEMENT

Sacred Heart School provides a loving environment where students become lifelong learners through experiences that promote knowing, loving, and serving God and all creation and where faith, academics, and service are valued and celebrated.

School News: Our 3rd, 4th, & 5th graders took a field trip to the Texas State Aquarium before Fall Break. They had such a great time and learned more about our Gulf of Mexico inhabitants. Just before dismissal that day, the group went to visit residents at Gulf Pointe Village. Our teachers were very proud of our students and their friendliness as the students told residents about the aquarium and some of the great sea life they saw. We love it when our students show their true selves as they go about doing good for others as they live and participate in Works of Mercy.

Update on our Interim Campus:

We have sidewalks!! And, we have canopies over the porches. Gutters still need to be installed but the workmen really worked hard to get our sidewalks in while we were gone on break. After gutters, the fence should be coming and the alarm and intercom system...then the playground equipment!

Our library is now open every day until 3:30 and Wednesdays until 4pm for parents & students.

Since we do not have enough water fountains, students may bring water to school for their classrooms but no flavorings or juices. Juice or punch may be in the lunchbox or for after school snack.

PLEASE THINK ABOUT THIS: Being in school every day means your child won't miss out on learning. Try to schedule appointments and family trips outside of school hours. If he asks to stay home "just because", remind him of what he'll miss, such as his reading class or PE class. Explain that he can be absent only if he's sick or if there's a family emergency.
